

Extra Credit #8

Due date:

November 6, 2015

DESCRIPTION

Apply for an Internship or REU.

All you need to do is:

- Apply for an Internship or an REU (Google which one is better for you)
- Prove it to me somehow (usually there is a confirmation letter or screen)

Take this very seriously, as getting an internship or REU your first summer can snowball your career really well (i.e. it gives you work experience, which makes it easier to get additional internships and REUs, as well as jobs! Also, you'll probably make way more \$\$ at an internship or REU than at a typical summer job.)

DELIVERABLES

E-mail me your proof.
